

MASTERCLASS

Management of Low-Grade Glioma

Chairs: Dr Laveniya Satgunaseelan, Dr Joseph Sia

Date: Saturday, 24 May 2025

Time: 9:00am-1:00pm

Format: Online via Zoom – please register [here](#)

Aim:

- To provide clinicians and trainees with an in-depth, multidisciplinary understanding of current and emerging strategies in the management of low-grade glioma (LGG), with a focus on IDH-mutant gliomas, through expert-led lectures and interactive case-based panel discussions (moderated by the Chairs).
